

## **Version 1.22**

### **Corrections**

I-131 - corrected check blocks in Part 3 question 3

Updated NAICS Table to 2007 version (Download files REV79388.LK and .OV separately to AIDE folder)

N-400 - corrected Question 6A and 10B8a

I-864 - corrected error in question 28b

Changes to the Operator ID window to reflect G-28 changes.

You will probably need to update some entries for the attorneys and paralegals in your office.

G-28 general defaults window has been removed from the Table Maintenance Menu as these values no longer apply.
